The above mention schools are run by MICHAEL SIMWANZA whose main vision is to bring about citizens who are able to solve the problems of the society.

Michael aims to do this through the provision of quality education envisaged in the fourth industrial revolution.

In the journey of educating the nation Michael needs the hand in the following manner:

1. In the 4IR, we need computer knowledge which can be acquired through use of computers and tablets. I would need donation of 100 computers and 250 tablets.
2. Textbooks
3. Boarding facility = R5 000 000.00
4. Classrooms (12)
5. Camping facilities where kids can camp for
6. Computer age needs computer knowledge
7. Tablets
8. Desktop computers
9. Good books
10. Boarding facility (boys and girls)
11. Or camping facility where kids can camp for weeks focused on studies and learning special skills.
12. Sports centre where sporting grounds are and learners can do all types.
13. Workshops for mechanical engineering, wood work, radio and refrigeration, plumbing, etc.
14. Farm where different farming
15. Animal and crop husbandry
16. Science labs
17. Reading labs
18. Theatre hall
19. Computer lab

This would help provide education that would build children holistically
